Limited Lifetime Warranty

Contractor warrants for a period of forty (40) years after completion of installation that the materials installed by Contractor will be free of defects. Contractor warrants workmanship for a period of ten (10) years after completion of installation. This warranty assumes the mounting structure to be solid and free from defects, whether visible or hidden, and contractor does not assume responsibility for damage or replacement of any materials if support structure fails for any reason. This warranty does not cover problems due to ordinary wear and tear, abnormal severe weather, or other unusual disturbances of nature, abuses, modifications made by someone other than Contractor, or similar causes other than normal use of the products.

In the event of a defect which is covered by this warranty, and reported to Contractor within the 10 year warranty period, Contractor will, at no charge, as customer's sole remedy, provide the labor and materials necessary to repair the defect. Warranty repairs will not include repairs to the roof, fascia, siding or other portions of the building, either exterior or interior, or to the surrounding yard or landscaping, but will be limited to just the rain gutter and related materials installed by Contractor. Contractor also has the right to charge a service fee in the event that the repair was not due to materials or workmanship, i.e. gutters clogged with debris or lack of maintenance.

WARRANTY DISCLAIMER

THE EXPRESS LIMITED WARRANTY DESCRIBED IN THIS DOCUMENT IS THE ONLY WARRANTY PROVIDED BY CONTRACTOR. THERE ARE NO IMPLIED WARRANTIES OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER WARRANTY.

EXCLUSION OF REMEDIES

IN NO EVENT WILL CONTRACTOR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF CONTRACTOR SO WARNED OF THE POSSIBILITY OF SUCH DAMAGES.

Transfer of Warranty

The express limited warranty described in this document is transferable to new owners of the same building during the term of the warranty, provided that the new owner can present a signed copy of this document to Contractor at the time of making a warranty claim.
